## About Us —

Coincraft was founded in 2014 by Anubhav Golcha with a vision to offer the most refined Gold & Silver Bars, bullion, and coins. Gold and Silver have an exceptional place in culture as they're offered to God. When it comes to investment, people have been buying Gold and Silver for decades as a safe investment choice. We provide Bar and Coins of various denominations for both investment and Gifting purposes. Our Metals are untouched by the market and free of adulterations and manipulation. They retain their value over time, unlike Jewellery, which makes them an ideal way to invest in these precious metals.

The quality of our products stands tall and speaks for itself. We're a company dedicatedly to bars and Coins, the purity that we maintain is unmatched by any jewelry company. The biggest Gold and Silver mining companies prefer to partner with us. To maintain, we're an official Distributor of many such big names.

MMTC-PAMP, which is India's only internationally accredited precious metal facility. Their bars are traded across the Globe deliverable on global commodity exchanges and are also affiliated with London Bullion Metal Association (LBMA).

ACPL. an award-winning precious metal company recognized by the government of India has also authorized us as their official distributor and dealer.

Kundan which is affiliated with National Accreditation Board for Testing and Calibration Laboratories (NABL) is another big name that we're connected to.

Coincraft provides you with PAN India delivery of products with easy payment options available on our website.

Our Head office has been operational for the last 21 years in the field of precious metals, located in Raipur, Chhattisgarh while the Brands office operates from Mumbai, Maharashtra.
